SA1 takes SA1 unit

SA1 Business Park, the business centre operator in Swansea, is to lease a 100,000 sq ft building off the city's Fabian Way to be divided into smaller business and storage units. Richard Hayward Properties let unit A on SA1 Business Park to a company also called SA1 Business Park, which runs centres at Gorseinon and Garngoch. The building was let on a 15-year lease in a deal arranged by agencies Lambert Smith Hampton and Cooke and Arkwright.
